

Children Changing the World

My Allowance Worksheet

Jessica's allowance was \$5.00 per week. This is how she figured her tithes.

$$\$5 \div 10 = .50$$

Try this with your own allowance. If you do not receive an allowance, use \$10.
My allowance is _____ per week. Divide the amount of your allowance by 10.

$$10 \overline{) \quad \quad \quad}$$

What is the amount of your tithes? _____
