“Jesus went about doing good” (See Acts 10:38)

“We are helpers” (See 2 Cor. 1:24)

SESSION GOALS

Preschoolers will learn how Kentucky Baptist Disaster Relief volunteers helped the people of western, Kentucky. Focusing on the Concept Area, Jesus, they will learn that Jesus wants us to love and help others.

STUDY OVERVIEW

On December 10, 2021, tornadoes hit several western Kentucky towns, causing loss of life and damage to homes and businesses. Over three-hundred Kentucky Baptist Disaster Relief volunteers joined with other individuals and teams to help communities recover from the damage of the tornadoes. First Baptist Church in Murray hosted the feeding and operation center. Kentucky Baptist Disaster Relief partnered with First Hispanic Baptist Church to feed members of the church’s community. Kentucky Baptist churches’ generous gifts to Disaster Relief and the Eliza Broadus Offering made it possible to provide food and other essential supplies to help the communities of western Kentucky.

Ron Crow, Kentucky Baptist Disaster Relief Director said, “The ministry of disaster relief models the ministry of Jesus. During his ministry, we discover how he would meet someone in need, reach out to meet their physical need and confront their spiritual need.” Kentucky Baptist Disaster Relief volunteers meet physical needs and gain the opportunity to share about Jesus.

SESSION PLANS

GROUP TIME

OPENING ACTIVITY

(Be sensitive to preschoolers who may have experienced a tornado or are afraid of storms.)

1. Invite preschoolers to your group time space. **Say:** *It looks like we have a mess here! Some people in western Kentucky had a mess to clean up after some tornadoes came through their town.*
2. Show preschoolers the bottles you have prepared. Flip the bottles (water on top). Swirl the top bottle in a circular motion until you see a cone of water develop. **Say:** *This is how a tornado looks. A tornado is much bigger, though. And instead of water, a tornado is spinning air. (Show western Kentucky on a map.) After a tornado in western Kentucky, some helpers who are called volunteers went to help the people of western Kentucky. (Show Disaster Relief Picture 1.) These helpers or volunteers work with Kentucky Baptist Disaster Relief. Today we will see how the volunteers helped people and told them how much Jesus loves them.*

STORY TIME

(Tell this story in your own words.)

Kentucky Baptist Disaster Relief volunteers always work together like a family would by helping people after a disaster. Last year, several tornadoes hit western Kentucky towns. Everyone wanted to help. They came from all over Kentucky and other states with a carload, truck load or trailer load of supplies.

A church was trying to feed people in their town. Volunteers brought a food truck to help feed the hungry people. (Show Pictures 2 and 3.)

The tornadoes damaged peoples' homes. Disaster Relief volunteers helped them rebuild their homes. (Show Picture 6.)

The tornadoes blew trees down. Disaster Relief volunteers cut up the tree limbs and cleaned up peoples' yards.

Disaster Relief Volunteers helped feed people, clean up, and rebuild houses. This is what Jesus wants us to do. (Open your Bible and read the Bible Thought, Jesus went about doing good (Acts 10:38.)

The Disaster Relief volunteers told the people in western Kentucky about Jesus, gave them Bibles, and prayed for them.

Ask: *How can you help a friend?*
