

# SHARED IDEAS

---

## REFLECTION

---

- Are we giving in a way that earns a return on investment in heaven? Make a list of how much you give and where it goes each month.
- What is God asking you to do in response to this workshop session?
- What is keeping you from fully committing to the call of the Great Commission and living intentionally on mission through your giving?
- How can you encourage someone to move beyond "Will you give" to "How are you giving"?

## VISION FOR Missions Giving

2022 KY WMU Annual Meeting | Dr. Liz Encinia

We are called as givers to sow into the Kingdom of God generously, intentionally, and wisely.

What does the Lord Say  
about Giving?

How can we respond?

How can we lead our church in  
representative giving?

*Lord, you know my attitude toward money. You know my fears about my current and future provision. You know the reasons I give the amount that I do. You also know the amount of treasure already stored up for me in heaven. I want to acknowledge that everything I have is yours and is a gift from you. Thank you. Please show me how you would like me to steward and manage the resources you've given me and what part you want me to play in giving to see the nations reached.*

# 3 BEST PRACTICES

for casting a vision for missions giving
