

Courage 2019 Memo

RE: Courage 2018 Mission Project

TO: Kentucky RAs, RA Leaders, Challengers, and Challengers Leaders

STATUS LEVEL: High Importance!

All Kentucky RAs, RA leaders, Challengers, Challengers leaders, and any other men and boys who plan to participate in Courage 2019 are being asked to step up and help with the ministry of Pastor Omar Vargas and Real Church in Pembroke Pines, FL. Pastor Vargas is one of the Christmas in August missionaries.

Real Church ministers in three languages: English, Spanish, and Portuguese. The community surrounding the church is very diverse, both culturally and financially. One of the greatest partnerships the church has made is with a neighboring school. This past Christmas, the church blessed the school with bikes, backpacks, food, and school supplies. Many of the children are from low-income homes; some are even homeless. Real Church desires to use gift cards to purchase books, Bibles, and school supplies for this ministry.

What kind of gifts cards do you need to bring with you to Camp Courage? This is the easy part. Simply bring Lifeway or Amazon gift cards in any amount! We will collect them at Camp Courage and then send them together in a package to Pastor Omar.

By doing this, Kentucky RA and Challengers groups will be partnering with Pastor Omar to reach the lost of Pembroke Pines with the Good News of Jesus Christ.

If you would like to learn more about Real Church and Pastor Omar Vargas, you can visit their website at www.realchurchfl.org.
