

Shoot Out

Rules and Regulations

An open Shoot Out competition will be conducted at each Congress. Churches may enter teams from each age group (i.e. Lads, Crusaders, Challengers I, Challengers II, Adults). Each team shall consist of five members. All members will participate in answering missions questions and shooting baskets. Team members may assist each other with answers and answer as a panel.

The first answer given to the referee will be considered to be the team's answer.

If the team correctly answers a missions question, they receive the point value of that question times the number of members on their team (i.e. on a 2 point question, a team with 5 members will receive 10 points if correct). Each member will then get to shoot a basket from the corresponding shooting station (see diagram). Points awarded for each basket made are in accordance with the degree of difficulty of the shot (i.e. each member who makes a basket from the 2 point station will receive 2 points).

If the question is not answered correctly, the team advances to the next shooting station without taking any shots or scoring any points. One complete circuit is from lay-up to lay-up with no second chances.

A team may compete with as few as three members, but their potential total score is decreased for each member absent based on the scoring method above.

Upon completion of the circuit (lay-up to lay-up) the total number of team points will be tabulated. Winners will be announced at the final session of the Congress.

Lads (ages 6,7, and 8) will use the smaller, non-regulation basketball to enhance shooting ability.

Shoot-Out Questions

Lads

One Point Questions

1. Name the magazine for RA's in Grades 1-3 or Ages 6-8. (p. 41 Leading RAs) **Lad**
2. What is the RA Chapter leader called? (pg. 30 Leading Ras) **Counselor**
